**Allegacy Federal Credit Union Announces  
Improved Wireless Banking Service for Members**

(Winston-Salem, NC)...Allegacy Federal Credit Union announces that it has recently improved its Wireless Banking service to offer even greater member convenience. Members who use Allegacy WebBanking™ now have access from Internet-enabled cell phones, pocket PC devices, PalmOne® handhelds, and RIM Blackberry® pagers. This more robust Wireless Banking service includes:

- Account summaries
- Account transaction history
- Transfers
- Allegacy's WebPay™ to pay bills, view pending bill payments, cancel pending bill payments, and view bill payment histories

**About Allegacy**

Allegacy Federal Credit Union is the chosen financial institution for more than 500 companies, as a provider of credit union services to employees, retirees, and their families. Allegacy operates financial centers in Winston-Salem, Charlotte, Greensboro, Huntersville, Kernersville, and Morganton, NC, East Hanover, NJ, and New York City.

**About MShift**

MShift®, Inc. is the leading provider of turn key wireless solutions and services. MShift provides highly customizable state of art end-to-end mobile solutions that enable institutions to rapidly extend their existing online offerings to all mobile devices, including phones, Palm® and Pocket-PC PDAs, pagers, WAP, SMS, and voice devices. MShift places a high premium on customer satisfaction and provides top-notch customer support, as can be attested to by its growing portfolio of over clients.

MShift is headquartered in San Jose, California.
